Since 1994 we have awarded £3.4bn to more than 15,600 projects in London & South.

From the bustling streets of the UK's historic capital to the idyllic coves of Cornwall and the cultural history of Kent, London & South is rich in heritage. We're proud to play a role in protecting and celebrating the region's vibrant cities, beautiful landscapes, historic sites and diverse cultures.

Take a look below at some of the projects we have funded.
