

Species Survival Fund decisions, February 2024

15/03/2024

[See all updates](#)

Species Survival Fund decisions made by the Grant-in-Aid sub-board (a sub-set of Trustees) meeting on 7 February 2024.

The Species Survival Fund is a £25million competitive fund to support the creation and restoration of wildlife-rich habitats in England.

All projects would deliver habitat creation and restoration, ecosystem restoration and support species abundance at a landscape, catchment or local scale, either within or outside of protected sites.

Schedule of Decisions

#Species Stacking the Shire Brook Valley

Project reference: NL-23-00063
