[Funding decisions](#)

2 July

Grant increase

Swaffham: A Historic Market Town

Applicant: Breckland District Council

Project description: This aims to develop and deliver a project in Swaffham town centre, Norfolk, to transform and restore disused and dilapidated buildings into new homes, shops, work places and community spaces restoring local historic character.

Decision: Award Grant increase of £56,000 to make a total grant of £306,000 (34%)

3 July

Grant increases

Mount Zion Apostolic Church – Picturing the Past: Celebrating and Conserving Our Heritage

Applicant: Mount Zion Apostolic Church

Project description: Mount Zion Apostolic Church, in the Radford area of Nottingham proposed a programme of capital works to repair, remodel spaces and refurbish the Grade II church, which had fallen into disrepair and was now closed to the public. The church was based in the former Capitol Cinema, which dated from 1936 in an Art Deco style and was considered a rare survivor of this type.

Decision: Award Grant Increase of £198,704 to make a total grant of £3,037,471 and Agree change in grant percentage from 75% to 81%

Reawakening St. Mary Magdalene, Supporting Newark's Communities

Applicant: The Parochial Church Council Of The Ecclesiastical Parish of Newark-on-Trent St. Mary Magdalene with St. Leonard

Project description: St. Mary Magdalene was a Grade I listed Church next to the market square in the heart of Newark, Nottinghamshire. It was of national significance, and similar in scale and size to a small cathedral. The vision is for the Church to play a more significant role in the town, be recognised for its heritage significance, and removed from Historic England's Heritage-at-Risk Register.

Decision: Award Grant Increase of £216,922 to make a total grant of £3,031,550 (70%)

16 July

Grant increase

Hertford Castle Greenspace Renewal

Applicant: East Hertfordshire District Council

Project description: This will deliver a varied programme of works over three years to enhance, and raise awareness of, the ecological and historic features within Hertford Castle Park and Gardens. The project would transform the site into a safer and more welcoming gateway to the historic town and increase biodiversity.

Decision: Award grant increase of £238,012 to make a total grant of £580,318 and agree change in grant percentage from 89% to 93%

17 July

National Lottery Heritage Grants £10,000 to £250,000
