The bird is the word at Langland Moss

12/10/2012

Langland Moss group are inviting local families to join them in a fun, free and educational afternoon building bird boxes at the courtyard of Calderglen Country Park on Sunday the 21 October between 1pm and 4pm. The following Sunday, 28 October, the group will meet at Langlands Square at 2pm until 4pm for a bulb planting & general activity day and are inviting any local people to join them and take part, helping to conserve East Kilbride's best kept secret.

This activity day comes as the group received a grant from CSV allowing them to purchase bird boxes, bulbs for planting out on their wildflower meadow and wildlife survey materials.

The group are also excited to announce that their website has been completely revamped, the new interface is much more user-friendly and includes a large amount of information for all interested parties, the group would like to extend thanks to John Messingham for helping to design & build the new look website which can be viewed at their website.

Notes to editors

About Viridor Credits
Viridor Credits Environmental Company distributes funding through the Landfill Communities Fund. Funding is available for community and environmental projects within 10 miles of an active Viridor landfill Site. Since its inception Viridor credits has allocated over £70m to over a thousand projects across the UK.
