Who we are

We are the [largest funder for the UK's heritage](#), and we operate in all parts of [England and the devolved nations](#). Our teams across the UK are governed by a [Board of Trustees and an executive team of decision makers](#) – chaired by CEO Eilish McGuinness.

The trustees lead our strategic development, which is outlined in our [Strategic Funding Framework](#) – a plan we have set up for National Lottery investment until 2024.

In March 2023 we launched a new 10-year strategy: [Heritage 2033](#). [We've published the first three-year delivery plan](#) which includes details about our budgets and priorities, and forthcoming changes to National Lottery Grants for Heritage. For now though, organisations should continue to apply for funding using our current [guidance](#) and [outcomes](#).
