Who we are

We are the [UK's largest funder of heritage](#), and we operate in all parts of [England and the devolved nations](#). Our teams across the UK are governed by a [Board of Trustees and an executive team of decision makers](#) – chaired by CEO Eilish McGuinness.

The trustees lead our strategic development, which is outlined in our [Strategic Funding Framework](#) – a plan we have set up for National Lottery investment until 2024. In response to the pandemic, we have refocused our [funding priorities until the end of the financial year 2022-2023](#).
