Since 1994 we have awarded £2.2bn of National Lottery and other funding to 12,900 projects in the North.

The birthplace of the industrial revolution, the North of England is buzzing with thousands of years of history.

We're proud to support our communities to protect and celebrate the region’s irreplaceable heritage, from the cityscapes of Manchester to the stunning views of the Yorkshire Dales, the cultural history of Newcastle, through to the Lake District's natural beauty. It’s part of our vision for heritage to be valued, cared for and sustained for everyone, now and in the future.
