We're backing the UK's heritage to adapt and thrive again.

UK heritage is facing its gravest threat since the Second World War. The risks to heritage sites, attractions and organisations from a sudden and dramatic loss of income as a result of the coronavirus (COVID-19) pandemic have put the heritage and visitor economy in crisis, requiring an urgent response.

Find out more about our focus up to end of the 2022–2023 financial year. We aim to support the sector to strengthen its recovery in the medium term and build back for positive change across the UK's heritage.
