

Covid Recovery Programme for Heritage (Northern Ireland) decisions, March 2022

Schedule of Decisions from the Board of Trustees Decision Panel meetings on 9 March and 29 March 2022.

This funding will support heritage organisations and individuals working in the heritage sector in Northern Ireland as they continue to confront the financial impact of the pandemic.

The Covid Recovery Programme is a Grant in Aid scheme which we are delivering on behalf of the [Department for Communities](#).

Covid Recovery Employment and Skills Initiative for Heritage

Decision meeting held on 29 March 2022.

Twenty eight heritage organisations impacted by the pandemic will use this funding to create new employment opportunities. Individuals working in these roles will receive training and skills development opportunities.

Download the spreadsheet of decisions from this page.

Covid Recovery Programme for Heritage Organisations

Decision meeting held on 9 March 2022.

Ten heritage organisations in Northern Ireland received grants totalling £331,560 to help support their recovery from the impact of coronavirus (COVID-19).
