Important

This programme is now closed to new applications. This guidance is for use by successful Round 5 PEF applicants only. Please read the full guidance you received via email before applying for TWIG.

You can download the following documents from this page (they are available in both English and Welsh):

- National Forest Outcomes template – this document is **mandatory**
- a cost template – this document is **mandatory**
- measuring success checklist – this will help us check how your project meets our outcomes

- woodlands plan and consents checklist – we would expect all relevant consents to have been applied for or underway

You must fill these in and attach to your application. See the full?TWIG application help notes you received via email for further details on all supporting documents required.
