Ulster Folk Museum is offering free entry on 25 and 26 March

From 18-26 March, for National Lottery Open Week, heritage venues across the UK are running special offers for anyone with a National Lottery ticket or scratchcard.

Each week, £30million is raised by National Lottery players for good causes. Since 1994, we are proud to have awarded £8.4billion to 49,000 heritage projects, which wouldn't have been possible without The National Lottery.
