Heritage Treasures Day is our annual moment to showcase the amazing, diverse heritage across the UK.

Join us on 14 January 2026 on social media to celebrate your inspiring heritage stories, objects, places and people.

Last year, thousands participated and millions were inspired – let’s make 2026 even bigger and remind people everywhere of the heritage on their doorstep.

What will be your heritage treasure?

It could be an inspiring collection item, a beautiful park, a winter walk, your favourite museum or a story from your local area.

Maybe you’ve enjoyed an incredible online heritage project, or perhaps the staff and volunteers at your venue are your true heritage treasures.

Participating is a fantastic way to showcase your work or venue. If you’ve received funding, it’s also a great opportunity to recognise your grant and thank National Lottery players for their support.
