Acknowledge your funding with the Nature Towns and Cities lock-up

The logo lock-up should be displayed prominently by all projects funded by us.

Available in full colour, white, and black, the stamp can work across a range of design formats. Print (eps) and digital (png) versions of the logo lock-up are available.

The logo lock-up is also available in Welsh. Every project delivered in Wales must display the bilingual Welsh and English logo lock-up.

The following sections on this page highlight some key things for you to consider when using the logo lock-up.
