New video to help you apply for £10,000–£250,000 funding for a heritage project

12/08/2025

Hear from Heritage Fund staff and successful grantees about who and what we can fund, how we make decisions and the information we need from you.

Got an idea for a heritage project but not sure where to start? This video is designed to help you understand the requirements for our grants and submit a good quality application.

Watch to get a better understanding of the resources we have to support you, hear examples of how to take our investment principles into account, get a step-by-step tour through our application form and learn top tips to give your grant bid the best chance of success.

The video is based on our popular bimonthly Helping you apply webinars and gives you on-demand access to Heritage Fund expertise and inspiration from grantees who've been there and done it before.

Anne Jenkins, Executive Director, Business Delivery at The National Lottery Heritage Fund, said: "We know people have different learning styles and access requirements. This video is a visual guide to applying for a grant for a heritage project presented by our friendly and knowledgeable staff, which complements our written guidance and resources.

"It gives a comprehensive overview of the application process and is perfect for those applying to us for the first time, and a handy refresher for returning applicants. You can take your time, pause and come back to topics at your own pace."

This video will live permanently in the National Lottery Heritage Grants £10,000–£250,000 funding section of the site for easy access and reference as you develop your project idea and application.
