Help shape the future of the HLF website

25/02/2013

The current HLF website was launched in 2009. We are in the early stages of planning a redevelopment of the site and we want to ensure we are serving your needs, as well as keeping abreast of the ever-changing digital landscape.

We've put together a short survey to help us understand what you think of our current website, why you use it, and to give you the opportunity to put forward your thoughts on how we can make improvements.

The survey is now closed - thanks to everyone for the invaluable feedback.
