Join our Committee and help shape Scotland's heritage future

14/04/2011

Since 1994, HLF has invested over £513million in Scotland's heritage through around 3,000 projects, with awards ranging from hundreds to several million pounds.

The committee makes decisions on grants between £50,000 and £1million. Recent awards include:

- Support for a project to restore St Margaret's Church Oatlands in Glasgow's East End
- Support for delivery of a community archive project Identity on Inverclyde

Development grants have also been awarded to explore Scotland's Coastal Heritage at Risk and to secure a sustainable future for Evanton Wood.

We are now seeking to appoint a new Committee Member.
