

What's on in Wales

07/09/2016

In addition to using our funding advice service, there are a number of ways to meet members of the HLF team and to seek more information before making your application.

Funding support workshops

The workshops are a great opportunity to find out about our funding, learn about our outcomes, get tips on how to make a good application and network with other organisations from your area. You will also meet the development team for HLF Cymru.

We offer workshops which focus on different funding programmes so you will need to decide which is most relevant to you.

Places are limited for all of our workshops. To book a place, please [email the development team](#) or tel: 029 2023 4142 and let us know which workshop you would like to attend.

Introduction to HLF workshop

The focus of this workshop is improving applications for our smaller grant programmes. You don't need a project idea to attend - just come along and find out more.
