Funding fairs and advice sessions in the East of

We are out and about across the region at funding events and advice sessions.

You may want to come and meet us at one of these and talk about your ideas or learn more about our funding.

We hold regular advice sessions in our Cambridge office. We suggest you first submit a project enquiry for projects looking for funding of over £10,000. If you want to speak to a member of the team beforehand about this or have a smaller request in mind, please call to speak to a member of our development team. tel: 01223 653188.
