The National Lottery Awards are open! Who will you

Gwna gwirfoddolwyr fel Hannah wahaniaeth enfawr

Projects made possible by National Lottery players are making a huge difference across the UK. Now the search for the nation’s favorite has begun.

Since 1994, National Lottery players have raised £35billion for good cause projects across the UK. The annual National Lottery Awards celebrates the achievements of those projects and the incredible people behind them.

You can vote for 49 projects across seven categories, from arts and heritage to sport and environment.

Eleven of the finalists have received support from HLF. From finding dragons beside the River Nene to learning the building trade at castles Northern Ireland, they are all transforming places and changing lives – and all deserve support!

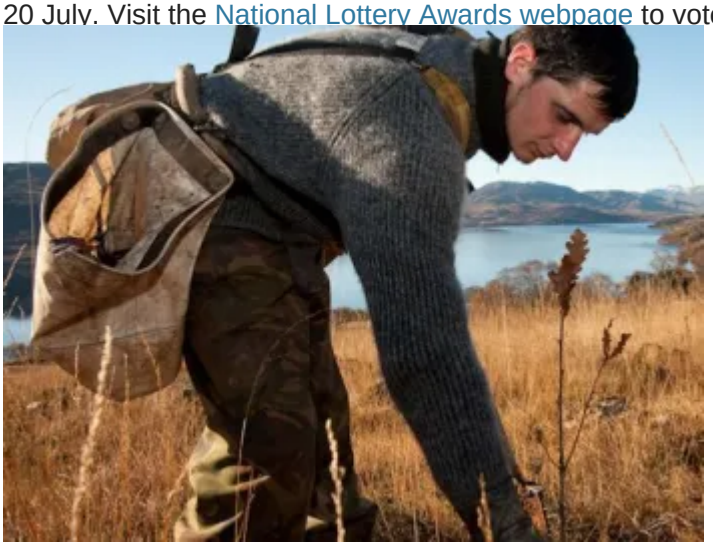

HLF-projects in the final include:

- Battle Bus (heritage)
- Derry Playhouse (heritage)
- Great Trossachs Forest Gateways (environment)
- Heritage Upskilling Apprentice Programme (education)

- Holocaust Survivor Testimony (heritage)
- Kittiwake Cam (environment)
- Lion Salt Works (heritage)
- Pontypridd Lido (heritage)
- River Nene Dragon Finder (environment)
- Slave Trade Legacies (heritage)
- Volunteering for Wellbeing (health)
