

Big Narstie:

Wha gwan?

Welcome to Narstie Manor.

Rastafari.

Man's going for the antique look in dis ting.

Man's just getting used to the neighbourhood, you get me

but come inside, blood, you get me.

Winston! Put something live 'pon the screen for them man dere.

This is the baller room.

This statue yeah, is off my mate Dave.

That's my collection of books. Knowledge is power.

And also, when people come round to my gaff I look really intelligent.

This is the big office.

You know where you deal with stuff like divorce, buying a new house.

Proper problems.

8 mil.

I'm scared of water but, I like boats.

This is the music room.

It needs a bit of Cubase and a bit of modernising

but, like, for the basics and setting the tone it's where I go to.

Well, this piano's got a French touch to it you know?

Merci beaucoup, Frère Jacques, dormez-vous

ding dang dong.

Letting them know that I'm bilingual in this b*****

This, yeah,

is like a intergalactic piano.

It says bass, look, premium bass.

And you must be thinking - rah!

How does this fat guy get around this big place?

I ain't doing no walking.

Pues vete! Let's roll!
I'm the daddy round here!

It's all thanks to you
the people.

Bass.
