

Culture Recovery Fund for Heritage: Emergency Resource Support Expression of Interest questions

Expression of Interest information

To support organisations interested in applying to the Culture Recovery Fund for Heritage: Emergency Resource Support, we are providing this list of the Expression of Interest (EOI) questions. This is for reference only, you will still need to [apply online](#). Some questions only apply to certain types of organisation so you may find the question numbers are different when you complete your online form.

Please note that it is not possible to save the online form so you will need to fill it out in one go and submit. We recommend you review the guidance and the EOI questions carefully. Then prepare your answers in a separate document before you apply so you can refer to it at a later date. At the end of the online form you will be asked if you want to save a copy of your answers. Please ensure you do this as we cannot send you a copy after you have submitted your form and you will not be able to return to them once you close the webpage.
