

## Jamie- Lee

I'm obviously TV's Jamie-Lee O'Donnell.  
And this is the SS Nomadic in Belfast.

I've acquired it, naturally.  
Do you want to come and have a little juke?  
Come!

Ever since I saw the movie Titanic I knew I wanted to be an actress.  
And here we are.

This is all mine.  
I'm so wealthy.

This is obviously the most important part of the ship.  
It's the poop deck.

And despite the name it's very hygienic so don't worry.

These are called..  
Circle windows.

So obviously this is one of the main parts of the boat.

In olden times, it will have done a lot of stuff.  
This would have moved, made noises...

To try and explain it to you would be really hard because it's very complicated.

You hear that?  
Yep, exactly.

To beat the crippling isolation at sea, I thought I would add another string to my performance  
bow in the piano accordion.

Mostly to keep myself company, but also... for the boys.  
You know what I mean.

Everyday somebody sprints up to me in the street to tell me  
'Jamie-Lee, your portrayal of a young catholic schoolgirl is devastatingly accurate,  
The only thing that gives it away is your obviously massive upper body muscles.'

And I say to them,

I get that from sailing, and fighting the patriarchy.

Thank you so much for coming on this tour of my massive, very expensive boat that I own.  
Because I'm not letting you in again. Alright?

Okay, cheers.

This is what we're supposed to smash on the side, not to drink.
