### Schedule of Decisions under delegated powers to the Director of Operations 8 November 2018

#### Heritage Grants

Region	Project Title	Project Description	Applicant	Decision
East of England	The Becket's Chapel Heritage and Culture Project	This project will create a heritage and cultural centre for Wymondham at Becket's Chapel, a deconsecrated, Grade I building. It will be restored, upgraded through improvements to the interior and extended to provide a new entrance and foyer/cafe. The heritage of Wymondham and the Chapel will be promoted through a new Visitor Information Point based in the building. The Chapel will be a hub for arts, educational and cultural activity and available for private hire and community events, generating valuable income.	Norfolk Historic Buildings Trust	Reject

## Heritage Lottery Fund

### Schedule of Decisions under delegated powers to Head of HLF East of England on 20 November 2018

#### Grants for Places of Worship

Item	Project Title	Project Description	Applicant	Decision
	Urgent repairs to roof structures and activities related to new benefice vision	To replace the stolen lead on the north aisle and chancel roofs with terne coated stainless steel (the roofs are currently covered in plastic sheeting leaving them vulnerable to rain leakage and damage) and other urgent repairs. In addition, an events and activities plan including heritage displays in the church, open days, educational visits as well as a café	St Andrew's Church, Swavesey South Cambridgeshire	Award grant of £161,200 (81%)
	All Saints Threxton: Saving the Round Tower	To repair the tower of this 13th century round tower church, make good some of the rainwater goods and do repairs to the south facing porch. Provide compostable toilet facilities and upgrade the electrics. Host, among other things, heritage displays about the village and promote the church and village to greater effect.	Threxton PCC Breckland	Award grant of £93,700 (74%)

Item	Project Title	Project Description	Applicant	Decision
	Crowning and warming the Sacred Heart of Southwold	To make the necessary urgent repairs, address environmental conditions, including heating and lighting, and make the building safe and more accessible. Develop a range of media and schemes to help visitors of all ages, local schools and adjacent communities, understand the liturgical and historical significance of the church's architecture.	Sacred Heart RC Church Southwold Waveney	Award grant of £210,100 (70%)
	Saving our Saxon Tower	Urgent repair works to Tower and Porch. By consolidating the walls, stabilising the belfry openings and quoin stones, the risk of falling masonry will be removed and the oldest parts of the church saved. Organise a range of events in conjunction with various local groups and to develop permanent displays, guidebooks and website.	The Upper Tas Valley All Saints PCC South Norfolk	Award grant of £185,200 (79%)

#### Our Heritage

Item	Project Title	Project Description	Applicant	Decision
	Promote the heritage of a Grade 1 Listed Building; Tudors and More	To raise awareness and promote the building as a heritage asset in Rayne, alongside a wider appreciation of the heritage of Rayne, the role of the Church both as a building and a place of worship. This will entail some work to repair and refurbish the Church, involving repairing damaged walls and plaster, repairing stained glass windows and installation of an AV system.	All Saints Church, Rayne Braintree	Reject
	Crime and Punishment in Victorian Kings Lynn	To mount a re-enactment of a 19th century trial using the courtroom and cells within the Town Hall at Kings Lynn. Springboard East along with volunteers will undertake research at the Town Hall's archive to discover a trial that would illuminate the 19th century judicial process and be central to Kings Lynn's history. The trial would become the basis for the re-enactment.	Springboard East King's Lynn and West Norfolk	Reject
	Commemorating the Luton Peace Day Riots 19th July 1919	To develop a series of events to mark this anniversary by collecting family stories from relatives of people involved, the civic leaders, rioters, police and fire service, and produce local history learning texts designed for Key Stage 2 around important issues of the time. Creation of an archive of information, images and sound that will be used and available to inform the artistic and heritage programmes being developed by Luton Council pilot city of culture 2019	Cultural Heritage CIC Luton	Award grant of £17,200 (77%)

Item	Project Title	Project Description	Applicant	Decision
		and shared with community partners developing their own projects.		
	CXXV: North Primary School's 125th anniversary	Work with Essex Record Office and Colchester Museums to research primary sources in their collections and collaborate with Colchester Recalled, recording people's oral histories about life at North Primary School. A series of public events and donations for the school archive. The archive will be brought to life by commissioning Artists to fabricate permanent artworks, creatively interpreting the school's heritage. The archive and research will be made available through an exhibition, talks, learning resource, website and publication.	North Primary School and Nursery, Colchester  Colchester	Award grant of £34,000 (89%)
	Anglia Square: A Love Story	Working with volunteers whose lives are affected by the Square, create a research group investigating and collating stories of the area's heritage, an education programme and public displays of work celebrating heritage in three local primary schools. Also a community choir, ten free outdoor theatre shows, free resources, material for Norfolk sound archives and Record Office and a heritage booklet.	The Common Lot  Norwich	Award grant of £51,800 (93%)
	Last chance to restore old school hall and build village archive	To create a community hub to support activities promoting healthy living, help reduce social isolation and care for our heritage. Have secured 93% to fund; refurbishing school entrance porch, new extension with a multi-use space to provide a foyer for the Hall with servery, exhibition area and consulting room, creating a new kitchen and archive area. The HLF grant of £50,000 would cover Phase 1B - removing asbestos and refurbishing the old School Hall which is in very poor condition.	Westleton Village Hall  Suffolk Coastal	Award grant of £69,300 (9%)

### Sharing Heritage

Item	Project Title	Project Description	Applicant	Decision
	Cliff town Telephone Museum	Refurbishment of iconic K6 British Telephone Box and install oral history equipment to create one of the smallest 'museums' in the country. Involve local schools and Project 49 (a local community centre for adults with learning disabilities) to submit designs for mosaics for the phone box floor to be installed on a rotational basis.	Cliff town Conservation Society Southend-on-Sea	Award grant of £9,800 (100%)
	Small Blue butterfly wildflower bank creation at St Julian's Meadow, Greenwood Park, Chiswell Green	A ditch, chalk area and chalk bank will be created within a publicly accessed meadow to allow populations of wildflowers to thrive, and create a microclimate ideal for the Small Blue and other butterflies. Recruiting new volunteers through a programme of public events including guided walks and talks, producing a final evaluation report.	Butterfly Conservation St Albans	Award grant of £9,500 (100%)

### First World War: Then & Now

Item	Project Title	Project Description	Applicant	Decision
	From East Anglia to Jerusalem	Building on previous FWWT+N grants, this project will focus on the neglected history of the soldiers of the East Anglian Division who were stationed in Egypt in 1915 and went on to take part in the successful Palestine campaign of 1917-1918 against the Ottoman Turks. A series of school-wide activities based on designing (but not building) a memorial to the service of these local soldiers.	Longsands Academy Huntingdonshire	Award grant of £9,800 (100%)
	Harlow's Fallen: 1918-2018	This project aims to memorialise the sacrifice made by men from Harlow during the First World War. A video shall be produced of local people, mainly children, reading poems in front of the houses of those who fell in the war. This is a community project which aims to involve as many people as possible and create a greater appreciation for our previous generations.	Science Alive Harlow	Reject

**Resilient Heritage**

<b>Item</b>	<b>Project Title</b>	<b>Project Description</b>	<b>Applicant</b>	<b>Decision</b>
	Little Cassiobury Stage 2	The House is on Historic England's "At Risk" Register. Long-term interest shown by the Friends of Little Cassiobury (now Little Cassiobury CIC) {LC CIC}, has meant that the owners are willing to transfer the house to LC CIC subject to a viable financial plan being produced to guarantee Little Cassiobury's future. This application is for works to support development of a financially viable solution for the building.	Friends of Little Cassiobury (CIC)  Watford	Award grant of £62,100 (97%)

**Young Roots**

<b>Item</b>	<b>Project Title</b>	<b>Project Description</b>	<b>Applicant</b>	<b>Decision</b>
	KICK Legacy	Young people will take part in sessions with local artists, alongside professionals from KICK and The Norris Museum, to explore what life was like for young people in St Ives during the Second World War. Using the 80th anniversary to the start of the conflict as our backdrop, the young people will explore the differences between their lives now and how they would have lived in this time looking at education, work and family life. Cross generational working and the young people will curate their own exhibition at the end of the project	Kick  Huntingdonshire	Award grant of £36,000 (100%)
