

Heritage Lottery Fund

Schedule of Decisions under delegated powers to Head of HLF East of England on 16 October 2018

Our Heritage

| Item | Project Title | Project Description | Applicant | Decision |
|------|--|--|---|------------------------------|
| 1. | Love Your Forest | Engage residents of the Forest of Marston Vale ("The Forest") with the natural heritage on their doorsteps. Design an events programme to enable people to learn about their local natural heritage. Produce an app for people visiting their local woodlands. Recruit Volunteer Wood Wardens at each site, Provide Forest School training for teachers and teaching assistants in every school within walking distance of our woodlands, design and produce Forest Explorer kits for each of these schools. | Forest of Marston Vale Central Bedfordshire | Reject |
| 2. | Restore historic bells, bell frame and belfry all of national archaeological and historical importance | Remove all four bells, survey and record, prepare specification for refurbishment and strengthening work of the bellframe and belfry. Then carry out all necessary work. Carry out the timber work specified including frame and tower strengthening work, re-install and commission the bells. | PCC of St Mary & St Edward Parish Church, West Hanningfield Chelmsford | Reject |
| 3. | All aboard our Mayflower Maritime Museum. Celebrating 400 years since it's epic voyage. | To celebrate Tendring's connection to The Mayflower, which commemorates its 400th anniversary in 2020. Create a Mayflower Maritime Museum, which will tour to 40 primary schools and 4 community festivals. | The Grand Theatre of Lemmings Tendring | Award grant of £45,600 (79%) |

| Item | Project Title | Project Description | Applicant | Decision |
|------|--|---|---------------------------------------|------------------------------|
| | | The immersive, fully mobile, pop-up museum will be animated with interactive storytellers, involve practical engagement as well as theatrical re-enactment. | | |
| 4. | Stories of Sudbury's Silk | Produce a short film about the heritage of Sudbury's four silk weaving mills. Past and present employees will be recorded, sharing memories through oral history, artefacts and memorabilia. The film will be permanently exhibited at Gainsborough's House (Gallery and Museum) and circulated licence free between but not limited to; Sudbury Heritage centre, St Peter's Church, a screening event at the Quay Theatre and made available to schools and community groups as a learning resource. | Babergh District Council Babergh | Award grant of £36,400 (95%) |
| 5. | Chelmsford Remembers - The Story of the WW1 Violin | Based on the story of a violin owned by a local soldier who survived the conflict of WW1 and the battle of Ypres. The violin will be part of a new commission by Essex Music Hub with the City of London Sinfonia. Work with groups of young musicians to create a new work to be performed in a commemoration event and concert at Chelmsford Cathedral. In 2019 working with curators from Essex Regiment Museum, Chelmsford Museum and local arts organisation Pinpointcreate, performers and violinist will create a piece of storytelling theatre which will tour locally. Signals Media Arts with Essex Record Office and students from a local Secondary school will create a documentary. | Chelmsford City Council Chelmsford | Reject |

Sharing Heritage

| Item | Project Title | Project Description | Applicant | Decision |
|------|--|---|------------------------------------|-------------------------------|
| 6. | Interpreting the Broads' wherries for young people | Based on the history of the Norfolk Wherry (and working with the three trusts who between them manage 7 of the 8 remaining wherries), create school resources, covering curriculum topics from numeracy and literacy, to history and culture along with science topics like forces and materials. Consultant to work with Trust volunteers. Material will be downloadable and available on line. | The Broads Trust Broadland | Award grant of £8,800 (90%) |
| 7. | Bird & Bat Life at Growing Together Westcliff | Enhance the bird and bat life at Growing Together Westcliff through a series of 12 workshops on bird life including building and installing bird boxes and bird feeders and habitat improvement. Sessions to identify and count the birds in the garden and develop interpretation boards. Purchase a bat detector and run a special evening session on bat identification. Organise trips, short video and public celebration event. | Trust Links Ltd Southend-on-Sea | Award grant of £10,000 (100%) |

Resilient Heritage

| Item | Project Title | Project Description | Applicant | Decision |
|------|--|--|--|-------------------------------|
| 8. | Strengthening Good Governance at Nene Valley Railway | To give the Railway time and resources to initiate a transition phase to review and redesign its governance, including Board and organisational structure, and develop income generation opportunities. Through this project, NVR will become a more efficient and effective organisation, | Nene Valley Railway Ltd Huntingdonshire | Award grant of £50,000 (100%) |

| Item | Project Title | Project Description | Applicant | Decision |
|------|---------------|--|-----------|----------|
| | | maximising the output of its paid and volunteer workforce and Board, and positioned to take forward the new Strategic Plan that has recently been developed. | | |

Young Roots

| Item | Project Title | Project Description | Applicant | Decision |
|------|----------------------------------|---|-----------------------------------|----------|
| | The Lost Industries of Lowestoft | This project will highlight the Eastern Coach Works and its impact on the local community. Create inter-generational opportunities, allowing all to learn new skills. The young people involved will interview people who worked at ECW, building and finishing buses from fashionable upholstery to final coats of gloss. Inspired by these accounts, they will create exciting artwork, which will show the vibrant past of the ECW. Working closely with Lowestoft Rising CEP, will design and build a double-decker bus shaped climbing frame with quotes from the oral histories transcribed onto it. The climbing frame will be interactive, which will contribute towards children's learning. | Access Community Trust Waveney | Reject |
